Safe grad

The Safe Grad program at Elk Point, Heinsburg and Frog Lake High Schools has again been declared a success by the Elk Point RCMP Detachment, sponsors of the program for all three years.

Representatives of the graduating classes from all three schools met with Constable Doug Huskins last Friday to accept their pledge cheques, along with commemorative banners donated by Graphica.

The F.G. Miller High School grad class collected a total of \$770, which will go to the Northern Alberta Children's Hospital, while \$350 in pledges earned by Heinsburg High School and \$220 pledged to Frog Lake High School will go to Ronald McDonald House.

Those donating to the program are as follows:

Fort George Motel; Millie's Flowers & Crafts; Dave's Pizzeria; Wolanuk's Fashions & Foods; Single Styles; Work Wearhouse; Elk Point Co-op; Phil's Allied Hardware & Variety; Lakeland Review; Canadian Salt Co. Ltd.; CBM Confectionery; Elk Point Lioness; Tag's Food & Gas;

Ed Buck; 3-D General Service; Elk Point Burger Bar; Elk Point Gulf; IDA Capitol Drugs; Stedman's; Ken & Joan Palamerek; Rhondaray Confections Video & Arcade; OK 3 Bakery Ltd; Watson's Sport Goods; George's General Garage; Higgin's Travel; Dreamer's; Greg's Family Shopping Centre Ltd. (Macleod's); Elk Point Auto & Industrial; Dr. Kleeberger; ABC Cafe; Double S Confectionery; Empress Family Restaurant; Elk Point Insurance & Realty; PRAG Plumbing; Denny's Auto Body; BMW Monarch; John Wozniuk's Texaco Products; E-Can Oilfield Services; East End Auto & Industrial Supply; Hilltop Cafe; Virginia's Hairport; Sandra Poulin; Pan Canadian Petroleum Limited; Gordon & Deanne Fakeley; Laverne & Doris Wilson; Lorne & Sherry Young; Heinsburg Community Club; F.G. Miller High School Staff; St. Paul Tannas Insurance Brokers Ltd.; Frog Lake Education Board; Patricia Goertzen; S/Sgt. & Mrs. Fell; Graphica; Lloyd & Judy Jenner.

THEY MET THE CHALLENGE — F.G. Miller High School Graduating Class presidents Rhonda Pacholek and Garrett Gregoraschuk accept a cheque for \$770 in

donations pledged to the Class of '87 in the Safe Grad Challenge, from Cst. Doug Huskins of the Elk Point RCMP Detachment.

Town brings down budget

Elk Point taxpayers will face increases ranging from 9.7 percent for residential to 11.2 percent for non-

residential, when their 1987 tax notices roll off the computer later this week.

The hike is due in a large part to large increases in requisitions, over which the Town has no control. The Alberta Planning Fund has asked for 21 percent more this year, while the School Foundation Program has requisitioned an additional 21.9 percent to cover their mounting costs. The Supplementary School Requisition has increased by 8.5 percent over 1986 figures. The greatest hike of all is in the requisition submitted by the M.D. of St. Paul Foundation for \$18,078, a 554 percent increase over last year's \$2,553.

The increased requisitions

have forced this portion of the taxes up 18.3 percent for non-residential and 16.5 percent for residential.

Increases in the municipal portion of the tax bill are substantially lower, with a non-residential increase of 5.4 percent and a residential increase of 5.9 percent. This brings the total non-residential mill rate to 22.801 mills, an overall 11.2 percent increase, and the residential mill rate to 17.856 mills, a 9.7 percent increase.

The Town plans to spend slightly under \$1,150,000 this year, with general municipal expenses of \$259,176 and Supplementary School Requisition of \$206,506 accounting for major portions of this amount.

Chamber looks forward to summer

Elk Point Chamber of Commerce met June 17, with tourism, retail business and further education on the agenda.

Billie Friesen of the Tourism Committee reported that the committee were

interviewing the applicants for the Tourist Information Officer position the following day. After some discussion, it was decided that the Elk Point Tourist Trade should be shelved for this year, as there are many copies of last year's edition still on hand, and time

would not permit the necessary work to be done on a new issue in time for this year's tourist season.

Mrs. Friesen also asked that the Chamber seriously consider installation of plumbing in the Tourist Information Booth for staff use, before next summer.

Difficulty in cashing cheques for large amounts encountered by the residents of the local reserves, and subsequent loss of retail business was discussed for the second time, and a suggestion made that the chiefs of the local reserves be invited to attend Chamber's next meeting to get their views on the subject.

Rumors of disharmony between Elk Point Further Education and Lakeland College were voiced to the Chamber. It was noted that both Further Education and Lakeland College fulfill vital roles in the area, and that "the people of this town and the small businesses would lose out" if either educational body decided to discontinue their programs.

FROG LAKE GRAD — Roy Quinney, the lone member of Frog Lake High School's Class of '87, accepts a cheque for \$220 in pledges for success in the Safe Grad Challenge from Cst. Doug Huskins, while Cst. Ken Dion stands ready to present the Safe Grad banner donated by Graphica.

EARLY DEADLINE

Due to the July 1 holiday which falls on our regular publication day, the Lakeland Review will be published Tuesday, June 30.

All news and display advertising for the June 30 issue must be in by 5 p.m. Friday, June 26, while classified advertising deadline will be 10 a.m. Monday, June 29.

Council notes

Roads and streets were prominent on Town Council's agenda Monday night, with town, county and provincial arteries under consideration.

A progress payment of \$105,838.26 to Border Paving on the street upgrading and utility line project was approved by Council. A request from Alberta Government Telephones to reroute their planned underground conduit to the north subdivision along the newly paved 51 Street met with opposition, however, as Council denied the request and will also advise AGT that if their conduit is not in place by the time 57 Avenue is paved, they will be required to bore under the thoroughfare.

Sewer line realignment east of Highway 41 on 50 Avenue will proceed almost immediately, with BEL authorized to do the work of raising the pipe at an estimated cost of \$3000.

Alberta Transportation has turned down the Town's request to extend the 50 km speed limit southward on Highway 41 to the junction of Sec. Hwy. 646, however, they will put in place a speed limit of 70 kmh from south of the Elk Point Esso approaches to the railroad tracks.

Alberta Transportation agreed to a request for signage prohibiting the use of engine retarder brakes on heavy trucks through town. The signs will go at the beginning of the 70 kmh speed zones north and south of town.

Secondary Highway 646 reconstruction will necessitate the Town formulating a pipeline crossing agreement with the County for the water mains coming from the water treatment plant. The use of material from the Town's borrow pile at the water treatment plant for the construction, and building of an access road to the water, pumping station were also discussed.

A closure request for the Canada Day Parade route on July 1 was approved, with the closure to be in effect from 9 a.m. until 12 noon.

Council received a petition signed by over two-thirds of the property owners in the Park Lane Mobile Home Subdivision, to have curb and gutter installed in the subdivision in exchange for a frontage assessment not to exceed \$2.21 per frontage foot. Faced with the petition, which under the Municipal Government Act makes it necessary to advertise the local improvement assessment, Council gave all three readings to a bylaw approving the project.

RCMP ask for assistance

At approximately 3:30 p.m. on Wednesday, June 17, while walking home beside the Elk Point Elementary School, an eight year old girl was approached by two blonde men, in their 20's, driving a red and white 1/2 ton truck. The driver, who had a mustache, asked the girl to come over to the truck. She ignored them and continued walking. The vehicle followed her for a short distance, then pulled up beside her. The passenger door came open and the girl ran home. She did not see the truck nor the men again.

To date neither the vehicle nor suspects have been located. If anyone witnessed this incident or who may have information regarding the identity of the two men or their vehicle, it is requested that the R.C.M.P. Detachment in Elk Point be notified at 724-3829.

ENERGY AND CHEMICAL WORKERS UNION LOCAL 474 — Representative Walter Lesyk presents \$100 toward the Jaws of Life Fund to Doug Lee of the Firefighters' Association.

MURPHY OIL LTD. DONATION — Of \$1000 is presented to Jack Mackay of the Firefighters' Association by Dennis Cameron, giving the Jaws of Life Fund a healthy boost. Other recent donations include: Capitol Drug Elk Point Ltd. - \$25.00; Universal Bottle Depot - \$20.00; B.G. Kleeberger - \$50.00; Windsor Goodwill Fund - \$100.00; King George Community Hall - \$300.00; Elk Point Pioneer Circle - \$100.00; ABC Cafe - \$100.00; Canadian Occidental - \$1,000.00; Elk Point Gas - \$100.00; Elks Lodge - \$200.00.

JAWS OF LIFE FUND GROWS — As Byron Mann presents \$500 from Westmin Resources and a \$100 personal donation to Jack Mackay of the Firefighters Association.

Swimming lessons set to go

The Town of Elk Point swimming lessons at Whitney Lake are set to start Monday, June 29, for young people from tots to teenage, from Elk Point, Heinsburg, Dewberry, Marwayne and surrounding areas.

Classes will commence at 12:30 p.m. next Monday and will run every day except Sunday, July 5, until July 11. A schedule for those youngsters who have already signed up is at Phil's Hardware in Elk Point, so parents can determine when their child's lessons are. Due to delays in program planning, the organizers of the lessons will still accept registrations until this Friday, June 26. The forms should be returned to Marie Zayac at Heinsburg School, Donna Gulayec at F.G. Miller High School, Marlyne Kryvenchuk at Elk Point Elementary School, the school offices at Dewberry and Marwayne, or to Phil's Hardware.

Courses range from Mom and Tots to Red Cross Levels Yellow to White, LifeSaving 1, 2 and 3, and Bronze Medallion. A minimum age of 6 years has been set for admission to the Red Cross Yellow Level and 14 years is the minimum age for Bronze Medallion.

Program coordination Debbielou Huskins and instructors Darlene Kozicky, Pam Fuller and June Laboucane are looking forward to the two weeks of lessons. They have asked that swimmers bring their current personal progress cards along, and point out that adults should be on hand to supervise their children during the lessons. Those in Mom and Tots program need to bring along their water wings.

Parents and guardians of the children enrolled in the lessons will be allowed to camp at Whitney Lake for the duration of the lessons only for the sum of \$5 per night, thanks to the cooperation of the Provincial Parks staff.

Teen Summer program

Attention All Teens!

Lakeland College is continuing to plan summer activities for teens in and around Elk Point. Kate Courtier, Teen Summer Coordinator, has familiarized all Junior High students with the program. A survey was conducted with the students in order to determine the amount of interest in the program. Students who indicated interest in the program took home a letter and questionnaire which they were asked to return. As yet, only fourteen of these have been returned.

Kate wishes to stress that although the survey and letters were distributed among Junior High students, any Senior High students who are interested in the program are welcome to participate. Anyone who is interested in the program can contact Kate Courtier in the Lakeland College office in Elk Point. Phone 724-4265.

A Teen Summer Council is also being set up. Members of this council would be teens who wish to suggest activities and aid the coordinator in the planning of them. This is an excellent opportunity for teens to plan activities that they have an interest in.

Kate Courtier will be leaving Lakeland College on June 30. Garnett Gerke will be acting as Teen Summer Coordinator from July through to September.

NOTICE

COUNTY OF ST. PAUL NO. 19

Notice is hereby given that the Council of the County of St. Paul No. 19 intends to pass by-laws to amend Land Use By-Law No. 959, as it relates to the zoning of the following lands:

"SW 34-55-4-W4th be rezoned from Agricultural District to Agricultural-Mixed Use District",

AND

"Part of NW 19-60-9-W4th be rezoned from Urban Expansion Reserve District to Industrial/Commercial District".

A Public Hearing will be held on July 7, 1987, at 2:30 p.m., or as soon thereafter as can possibly be arranged, at the County Office in St. Paul.

Copies of the By-Laws and Plans may be inspected during normal office hours.

R. Krawchuk

HEINSBURG MEETS CHALLENGE — Cst. Ken Dion and Cst. Doug Huskins congratulate Grad Class Advisor Marge Carter and grad Kirsten Vinge on Heinsburg High School's success in the Safe Grad Challenge.

Elk Point wagon train

MOVE EM OUT!

Horses and riders are chomping at the bit and pawing up the dirt, all anxious to get out on the trail.

We have ten wagons & 50 riders participating in the trek.

Just in case one of our speedy steeds blows a shoe we have our own farrier, Pete Gibson travelling with us.

Another addition to the train is an outhouse on wheels driven by Cathy Foster (a modern touch much appreciated by all).

To supply us with the water to wash off the trail dust & ease the parched throats of both horses & rider, we have a water truck driven by Sam Donaldson & Bill Ranger.

Thanks to the Elk Point Co-Op we will hit the trail Sunday morning with a belly full of flapjacks and campfire coffee.

We have a special feature on Saturday afternoon when a couple of wagons will be pulling up to the Co-Op in Elk Point to pick up our grub stake. If you happen to see us don't be surprised to see some people that looked like they just stepped out of the pages of a Louis Lamour book.

Our trail has been finalized with registration at Joe Brunner's Saturday night. On Sunday we hit Fort George for lunch and our overnight camp will be at Henry Neules - 1 mile north of Lindbergh. We tour Spring Park area on Monday with our camp set up at Spring Park Hall. Tuesday night's camp will be at Jerry Blize's - 1 mile west and 1 mile north of Elk Point.

After the parade we will be circling the wagons behind the Alico Motel so drop by for a visit.

See you all at the parade.

RETIRING NURSE'S AIDE — Alice Zacharuk is presented with flowers from the doctors by Loretta Pinder at her retirement party Friday. In the background is Nick Zacharuk.

Zacharuk bid farewell

A ten year staff member of Elk Point Municipal Hospital, Alice Zacharuk was bid a fond farewell last Friday by her co-workers, as she retired after thirty years as a ward aide and Registered Nursing Aide in Bonnyville and Elk Point.

Mrs. Zacharuk was joined by her husband Nick, son Wes and future daughter-in-law Jan at the head table. The Zacharuks have two other sons and two daughters, plus four grandchildren.

Mistress of Ceremonies Diane Anderson called Mrs. Zacharuk a "good team member...it's a pleasure to work with her," and noted that she will be missed very much.

John Williams presented the guest of honor with a certificate and a cheque, along with good wishes from the Hospital Board. Loretta Pinder presented flowers on behalf of the doctors, who were absent due to office hours, commenting that "they could always read Alice's writing on the charts," and had appreciated that fact.

John Young presented Mrs. Zacharuk with a watch from the hospital staff, and a gift from the Association of Registered Nursing Aides. Violet McFayden presented a gift from the retired hospital staff, and welcomed her to their midst.

Debbie Lawrence and Gwen Morris on guitars, were joined by Lillian Demchuk and Diane Anderson in a number of song selections, with the audience joining in wherever they knew the words. The songfest ended with a special rendition of "Our Best To You".

Mrs. Zacharuk told the group, "you're all my family" and said that "the good and wor-

thwhile...memories of almost 30 years of nursing will stay with me".

Mrs. Zacharuk, who has commuted from Bonnyville to Elk Point since 1978, is now looking forward to pursuing her personal interests and spending more time with her husband, children and grandchildren.

The very best of wishes, Mrs. Zacharuk, for a happy retirement.

NOTICE OF HEARING

SMALL POWER INQUIRY PROCEEDING NO. 870621

The Public Utilities Board and the Energy Resources Conservation Board have been directed by the Alberta Government to inquire into matters respecting electrical generation by small power generators, including number, types and sizes of small generators and the basis for determining the value of electricity produced by them.

The two Boards will hold a public hearing in the Energy Resources Building, 640 - 5 Avenue S.W., Calgary, Alberta, on Monday, 5 October 1987, at 9:00 a.m., to consider submissions respecting electrical generation by small power generators. Submissions shall be filed on or before 31 July 1987 with the Energy Resources Conservation Board at the address set out below.

Further details respecting the inquiry and hearing may be obtained by calling T. F. Homeniuk, Manager, ERCB Hydro and Electric Department, in Calgary, at 297-8344. DATED at Calgary, Alberta on 9 June 1987.

Alberta made

"What Alberta Makes, Makes Alberta".

This slogan, the subject of a well remembered Grade 5 Social Studies poster project back in 1955, is still just as applicable over 30 years later, as we observe Alberta Product Month, in June, 1987.

Alberta made products are a mainstay of our lives. From the northern Alberta produced milk and Picture Butte - produced sugar we put on our Camrose-milled hot cereal simmered for our breakfast on a stove heated with Alberta electricity, to the prime Alberta beef and Two Hills grown potatoes we cook to a turn-on an Alberta natural gas fired barbecue for our evening meal, Alberta products dominate our tables.

to prepare these products for our needs, powered by Alberta's natural resources. Alberta manufacturers are responsible for the construction of everything from grain dryers with world-wide fame, to tents, truck campers, septic tanks, mobile homes, and numerous other items used in our day-to-day lives.

Alberta produced salt, petroleum products and coal are in widespread use across the continent.

Alberta products also enrich our lives with art and entertainment. Books and magazines by Alberta authors are printed by Alberta publishing houses for the enjoyment of those within and beyond our border. Art, music, and Alberta-made movies similarly give pleasure to Albertans and the world.

Our unique lifestyle was seen by millions at Expo '86 last year. Our claim to fame, whether for our Alberta beef or our Olympic-class mountains, is spreading.

We aren't self sufficient yet - we can't grow coffee beans for example - but we're working on it.

Buy Alberta products, and keep our province strong.

We also have processing plants

Washday blues & then some

An unannounced water shutoff caught laundromat patrons with their machines full last Monday, June 15, and sent quantities of residue from the lines into the washers when the water came back on.

Billie Friesen, proprietor of the laundromat, spent Tuesday and Wednesday soaking and repeatedly washing the debris out of the garments, using special soaps and bleaches, after her boiler and water lines had been cleared of the material.

Irate customers planned to claim damages in excess of \$2,000 for their dirtied laundry, but Mrs. Friesen's prompt and efficient treatment of the items made all but one quilt and two shirts again fit for use, and brought the laundry claims to below a tenth of their original figure.

An apologetic Town Council moved to pay a total \$671.50 to the customers and to Mrs. Friesen at Monday's meeting, and expressed sincere regrets over the incident.

FOR A SUMMER, WE HAD BOTH A BRIDGE AND A FERRY — The ferry, pressed into use when a span of bridge was damaged by a burning oil tanker, carried

passengers and vehicles somewhat as ferries did in years long gone.

I. Magnusson

Alberta Trails

Trails today and yesterday

By Irene Magnusson

I drove over to Vermilion a while back. From the C.N. Rail crossing at Elk Point to the Stop-lights in Vermilion took me under fifty minutes — and using cruise control, I know I was at or under the speed limit all the way. So — what else is new? You all do it — many daily.

It's just that I was thinking about the pioneers, those first settlers who came into the Elk Point area way back when there was no Elk Point. Guys like my Dad. Whole families, like my Mother's.

Dad was not the first settler, nor with the first wave, but wandered in about 1911 or 1912 - looking for work, adventure, a place to build a home and a family to put in it. All of which he found in abundant measure.

His trip into the district I never did hear about — or perhaps he tired of telling the tale while I was still too young to remember it. Coming to Alberta from Waukon, Iowa, earlier, I know he worked for a time around the Camrose and Stettler area, before coming to Hopkins, and the homestead he filed on west and north of Elk Point.

I've heard the stories of the trips to and from Vermilion which many of the settlers made. Which Mother and her family made after leaving the train in 1912, and which Mother and Dad made together when they went for their marriage license back in April of 1914.

Two days each way. That's what it took to drive a team and rig from Elk Point to Vermilion in those by-gone days. They borrowed a democrat from a neighbor (since Dad only had his heavy wagon), hitched up Dad's team and headed for the ferry at Hopkins, about six miles southwest of the present Townsite of Elk Point, where they crossed the North Saskatchewan River. I presume the ferry was in and working, as they did get there and back.

About halfway along the forty-plus miles between the river and Vermilion was a "Stopping Place" run by one Mr. Hafferty, where the traveller could feed and water his team, get a bite for himself and an overnight bunk. Then off again in the morning, getting him to Vermilion for shopping and other business in good time. A good overnight rest in the Brunswick Hotel, or elsewhere, then off to the north again after breakfast, the stop at Hafferty's and the long, bumpy, hilly road home.

Dad made his living for some years hauling freight from the railroad in Vermilion to the merchants and farmers around Elk Point, and other small settlements in between. On his trips south he carried cream, potatoes, fish (frozen - in water only) and sometimes grain for delivery to points in Vermilion.

Not a high-cabbed, 16 or 20 wheeler, but a freight wagon, steel-rimmed wooden wheels, a high box and tarpaulin cover carried his load. Some freighters drove four horse teams, I suppose, but Dad drove a pair of sorrels.

His Jack and Joe were heavy set and slow, a well-matched pair, reliable and strong. They knew their job and did it agreeably. This allowed Dad to walk behind his load when cold bit through his sheepskin coat, the team pacing on without a driver, or to drop the lines (reins) on the ground and expect the pair to stand patiently until he picked them up again and gave a signal shake that they knew meant "proceed."

There was the long treacherous Horseshoe Hill pull, slippery when wet, icy in winter, where the sorrels lugged their heavy load rod by rod up the steep curved trail, resting often under Dad's careful guidance.

It was a very different job, still as tricky as any truck driver's, who now wheels as much in his one load as Dad's wagon or sleigh could move in a month. And with a whole lot less stress on the driver.

When I say "road" you know I'm not talking paved — or even gravelled — road. I wasn't there to see, but am quite sure the Vermilion trail was merely the results of the passing of many teams and rigs to and fro along a given route, trees cut away where they interfered, perhaps rocks dug out by passersby, a few poles or logs dropped across a pothole for a corduroy. Plus a lot of faith and guts.

And always — between here and there — flowed the river. Iced over and easy crossing in dead of winter, with the ferry (after 1913) when the water ran open and free — and some innovative and hair-raising emergency crossing methods, such as the 'cage' or the 'jigger' — for human passengers only — when neither open water nor solid ice were available.

Despite the hindrance, freight did get from the railway in Vermilion to the growing settlement of Elk Point, and produce got out. Time passed, as it has a way of doing. The ferry, soon

at Elk Point, served for 36 or 37 years, depending if you count from when the bridge became usable in 1949, or the Official Opening of 1950. The road was gradually upgraded and paved.

Not satisfied with good, we always want better.

The highway, while paved, was still narrow and winding. The bridge became too narrow, the approaches too steep and winding, for the traffic now using it.

We widened the pavement, straightened the worse curves, and built a new bridge. Nostalgia causes us to briefly regret the passing of the old scenes, while welcoming the new.

And so over the passing eighty years, since settlers first swarmed into the Elk Point area, this road of our first line of access has grown shorter and easier. There are other routes, and these have improved, too, in keeping.

Such a young country! Many of you can still remember coming with your parents to homestead and to settle the new land. Yet look at all our accomplishments! I wouldn't even try to list them. But I think of my Dad — and the other pioneers — and wouldn't he have delighted in roaring over to Vermilion in less than an hour! Wouldn't he have enjoyed seeing the first new bridge — let alone the last one! I think he would have been thrilled, as he always wanted to see new things, new inventions, new innovations. After all, he (with all those others) left the old to come to the new land, here in our Alberta.

Dewberry News

By Phyllis Ewen

On May 17, 1987, a music recital was held at the Dewberry United Church by Grade 12 student, Sheri Durnin, daughter of Laurie and Donna. Her piano students this year were: Brad Romanchuk, Melissa Wyness, Andrew Larson, Crystal and Sheri Isert, Shannon and Sharmayne Braithwaite, Karen Hiltz, Shannon Ilbringworth, Arlene Davies and Holly Isert. It is reported that all students did very well.

At the end of the program, the audience was entertained by Cory Bates and Jolene Bowman at the piano, Landon and Tanya Bowman with their violins and Jolene Bowman playing the saxophone.

Just before the afternoon came to a close, with coffee and cookies being served, Sheri's music students presented her with a beautiful vase containing twelve coral-colored roses.

Miss Jessie Mary Bruce of the Islay Auxiliary Hospital for the past three years and formerly of Vancouver, B.C. passed away on June 3, 1987. Jessie leaves to mourn her passing three cousins, Myrtle Fleming, Jessie Bowman, Mary Axley and their families in the district.

Ernie and Pat Stein from Kimberley, B.C. attended Jim Jones' Retirement Party in Edmonton and visited Pat's brother Bob Rogstad there, before coming onto Dewberry.

After visiting relatives here, Neal and Elsie Jones, Pat's sister, took them on a trip to Saskatchewan. They visited the old homestead at Fairholm and their Uncle Johnny and Aunt Ruth Hansen at Maple Creek.

Ken and Molly MacLean left June 15 for approximately a three month holiday travelling by van to the East Coast. In Molly's absence, Sandy Ewen will be delivering the Rural

mail until her return.

The grade nine Prom was held on May 1st to celebrate the achievements of those finishing up Junior High. Those honored were: Robert Finlay, Marla Fulton, Jason Fluney, Bryna Holmen, Fay McVeety, Chrissie Trach, Trevor Timanson, Glen Stone and David Haney.

Miss Deb Grey (English teacher) was M.C. for the evening. As she introduced each student, she read a poem about each one, she had composed.

During the Grand March the students presented their parents with a red rose.

Winner of the June 12, Agricultural Society Lottery draw was ticket #35 - Laverne and Doris Wilson from Heinsburg.

A \$96 million Enthalol plant is a strong possibility for the Dewberry area, providing testing shows an ade-

quate water supply. Art Magill, son of Jim and Kay Magill, formerly of Dewberry is President of Enthalol Energies Ltd., working out of Calgary. If all tests show positive, construction could start early this fall.

Neal Jones, representing Dewberry

Senior Citizens, was one of 170 Senior Citizens welcomed at the Alberta Legislature on June 8th. They were given an tour of the building, had their pictures taken, sat in on a session and recognized by the parties. Following this they were treated to a light lunch in the cafeteria.

Crop report

June 19, 1987

There has been Crop Deterioration in the past week.

The estimated current soil moisture conditions for Summer-fallow and Stubble is fair.

The estimated plant growth prospects under current moisture conditions for Summerfallow and Stubble is poor.

The estimated condition of the crop in relation to a 100% condition for Hard Red Spring Wheat is 90%; Winter Wheat - 90%; Oats - 85%; Barley - 85%; Fall Rye - 90%; Canola - 85%.

The estimated potential average yield per acre in kilograms based on present crop conditions for Hard Red Spring Wheat is 817 kg; Winter Wheat - 817 kg; Oats - 1234 kg; Barley - 1306 kg; Fall Rye - 762 kg; Canola - 227 kg.

The estimated percentage of each crop which is currently in or has completed each stage for Hard Red Spring Wheat is 100%, emerging; Barley - 100%, emerging; Canola - 100%, emerging.

Rain is needed badly. Some hay crops have been cut already, due to lack of moisture. Crops deteriorating due to lack of moisture.

**Happy "1st"
Birthday Brandi!!!**

Love, Daddy.

Dewberry class of '87 honored at banquet

DEWBERRY CLASS OF '87 — Pictured is the Dewberry graduating class of '87; Kimberley Blacklock, Sheri Durnin, Shawn Ewen, Trudy Holmen, Lea Rainey, Tammy Robinson, Debra Walker and Dave Whiteside.

By Phyllis Ewen

On Friday, May 29, 202 guests consisting of parents, grandparents, teaching staff, school board members and special guests, were assembled at the Lion's Hall to honor the Dewberry Graduating Class.

The Graduands were: Kimberley Blacklock, Sheri Durnin, Shawn Ewen, Trudy Holmen, Lea Rainey, Tammy Robinson, Debra Walker, and David Whiteside. They chose as their theme "A Time to Remember".

Proceedings began at 6 p.m. with the Lion's catering to a delicious barbecue beef banquet. The blessing was asked by Grad, Tammy Robinson.

Miss Deb Grey, English Teacher, was toastmistress for the program which consisted of a toast to Graduates by Mr. Bennett, with reply by grad, Kimberley Blacklock; a toast to the parents by grad Sheri Durnin, reply by Donna Durnin. On behalf of the parents who share joy, excitement and a twinge of sorrow she told the grads that they were proud of their first milestone. Donna advised them "to set your goal so you have something to work toward, walk tall so you have an overall view of any situation at all time, and strive for your goal — give it all you have got." She wished them much joy and success in their future endeavors.

A toast to the teachers was given by grad Tammy Robinson, with reply by Loretta Bowman who thanked the parents, community and guests for their support and presence at this special occasion. She also thanked the grads for their never-ending cooperation, especially during fundraisers and wished them every success as those teachers they leave behind will cherish many memories of them as they walked the halls of Dewberry School — truly, A Time to Remember!

Grad Debra Walker introduced the special guests: teaching staff, local advisory board, bus drivers, Annie Dennill, County Board of Education Representative, and Councillor Jiggs Goldsmith.

Grad Kimberley Blacklock gave thank yous to the caterers and everyone assembled in the school auditorium for the exercises.

The auditorium was beautifully decorated in two-tone blue and pink streamers. Miss Deb Grey introduced each Graduate as they took their place on the stage.

Grads David Whiteside and Sheri Durnin gave a brief humorous class history.

Grad Shawn Ewen passed the torch to Grade 11 student Deirdre Rainey.

Past Grads of the Dewberry High School, Connie Rousk (Whiteside) and Shelley Johnson (West), rendered a lovely duet "This is the

Time to Remember".

The Valedictorian Address was given by Trudy Holmen. She thanked the parents and teachers for providing the class members with a firm foundation on which to build their futures. She pointed out these specific lessons learned: (1) Have a positive attitude; (2) Be the best that you can be; (3) Anything worth doing is worth doing well; (4) Set your goals and priorities; and (5) Friends are important. Trudy said farewell to her classmates in the words of the poem by Susan P. Schutz: "You are always my Friend."

Annie Dennill, representative for the County Board of Education presented each Graduand with their scroll.

Brian Blacklock, RCMP at Thompson, Manitoba, and former graduate from Dewberry High School was to have been the guest speaker for the evening. Unable to attend at the last moment, his wife Dorothy brought his prepared speech which was very capably delivered by Mrs. Loretta Bowman. Being an RCMP and pilot he felt he had chosen his "Thrill of a Lifetime" and reminisced about training for a policeman with strict discipline, yet with lots of action and excitement. He said, "We learned that our ears were on the sides of our head and not inside of our mouth, and subsequently the two do not function well together at the same time..." He went on to tell about some hilarious experiences which he encountered with public complaints, impaired drivers, family disputes, and female drivers. In closing he said "...There is an interesting world out there and nothing is really impossible to achieve if you're really interested in doing so... Congratulations and have an enjoyable and safe evening."

Principal Henry Kozak expressed greetings and complimented the Graduating Class for having the first "Safe Grad Party", and explained the involvement of the Vermilion RCMP detachment.

To bring the exercises to a close Lean Rainey gave thanks and presented tokens of appreciation to Miss Grey, Mistress of Ceremonies; Loretta Bowman, Staff Advisor, and Jean Bowman for her artistic wall mural.

The large auditorium was filled to capacity by friends and relatives as the Graduands began marching to "I Am By Your Side". "Will You Still Love Me" was sung by Connie and Shelley. Each grad presented their mothers with a coral rose as the parents and escorts joined in the breath-taking Grand March.

Music was supplied by County Express.

The Graduands thank everyone for all their gifts.

Summer at Elk Point library

Hi! My name is Michelle Lukevich and I am the Elk Point Public Library's summer student. I really enjoyed my first year attending Camrose Lutheran College in the Faculty of Education and I'm looking forward to my second year.

The library hours for the summer are from 1 p.m. to 9 p.m. on Mondays and Thursday and from 9 a.m. to 5 p.m. on Tuesday, Wednesday and Friday. On Saturday, the library is open from 2 p.m. to 5 p.m. I hope you will take this opportunity to visit during these hours.

The reading program this summer is entitled "I Spy With My Little Eye Something That Is Read". Games involving solving mysteries, puzzles and exploring the world of Private Eyes are a few activities planned for the children. Crafts, songs, games and stories are also involved in this exciting summer program. This program is designed to further develop

Termites challenge

The Termites revisited old ground

for many of the players on Tuesday, June 16, where they accepted the great T-Ball challenge, issued by the Elk Point T-Ball team. In what turned out to be great fun for all the players, the teams played a 3 inning exhibition game at the T-Ball diamond.

The T-Ball team, coached by Doug and Donna Basset showed plenty of spunk and that they are up and coming ball players, hitting the ball well off the T-Ball stand and showing poise in their turn on the field making some excellent fielding plays.

The game ended in the spirit of fun, with no attention being paid to the score as one, if it was being kept, was not of an important consequence.

The T-Ball team were able to use the occasion in preparation for their division championship tournament, also being hosted by Bonnyville and scheduled for Saturday, June 27.

BUCK WINS — Brad Buck accepts the first place trophy after winning the Elk Point Golf and Country Club Men's Open Tournament June 14.

Buck wins men's open

The Elk Point Golf and Country Club held their Men's Open Tournament on June 14, with 66 golfers participating. The championship flight was won by Brad Buck with an 18 hole score of 69. Second was won by John Bebe in a tie-breaker with Roger Millan, with scores of 77. The first flight was won by George Campbell, with a 18 hole score of 75. Doug Chase, Milholland and Albert Doonanco played off for second and third, when three recorded an 80 score.

The balance of the winners are as follows: 2nd Flight: R. John, E. Jan, T. Nowosad; 3rd Flight: H. Caral, D. Moosewah, L. Stanley; 4th flight: E. White, G. Jackson, G. Ungchief; 5th Flight: B. Lim, H. tras, A. Lysons; 6th Flight: B. spalko, F. Horn, J. Tilton; 7th flight: J. Letowski, D. Steinhauer,

Leon Babcock; 8th Flight: L. Pidluzny, D. Yake.

Many thanks to all the golfers who took part.

The club had their second two-ball foursome last weekend, and had 36 golfers in attendance. Special thanks to Dale Appleton for assisting the ladies in putting on the tournament.

Canada Salt Plant and Amoco held their annual golf tournaments recently. Amoco has once again donated 5000 score cards, while Elk Point Co-Op has donated bag tags.

The long-awaited clubhouse construction is well underway, and the club members would like to extend thanks to Ed Soldan and Steve Shmyr for all their work on the project.

Termites end with undefeated record

The Elk Point Truss Termites ended their regular season in Bonnyville June 18 by easily defeating the Green Machine 22-9.

The Termites sent the maximum number of batters to the plate, allowed under the Mites division, 3 out or 9 batters maximum per inning, as 36 batters took their place at home plate in the regulation four inning game.

The termites showing superior offensive and defensive skill scored six runs in the first inning, three runs in the second, another six runs in the third inning and rounded out the game with seven runs in the final inning.

The Termites' stingy defense allowed runs in the second, third and fourth innings when the Green Machine was able to score three, four and two runs in those innings.

The Termites were led in the scoring department by Justin Conrad who scored three times. Helping the team out by scoring two runs were Matthew Vincent, Raegan Crouteau, Jamie Franson, Rene Ringuette, Sheldon Ballas, and Kelly Peterson. Contributing single runs to the team score were Ryan Stone, Dennis Huddy, Matthew Nixon, Tyson Ballas, Ryan Kozicky, Joey Youngchief and Derek Pigeon. Mark Woytkiw was

stranded on base twice and unable to complete the circuit for a run.

The Termites were once again well supported as a large delegation of Termite faithfuls were on hand to provide the team with strong vocal support.

Pitching coach Craig Stone was called in from the "bull" pen in the third inning and with four days rest after the Grand Centre tournament pitched strongly in the final two innings as the Termites scored 13 out of a possible 18 runs in those innings.

The Termites are now in the final week of preparation for the Lakeland Minor Ball League mite division playoff tournament, scheduled for Sunday, June 28 in Bonnyville. The Termites were fortunate in receiving a bye in the first round of action and will play their first game at 12:30 p.m. in the nine team modified double knockout tournament. With two victories the Termites will be able to realize their season long goal of the league championship.

The Termites have an excellent chance of winning the League championship tournament, having probably the finest mite team in the area. This may be the best mite team

Elk Point will have for some time as eight of the Termites will be moving up a division next year to join the Mosquito team.

It would be a perfect ending to a well written script to complete the season undefeated and with the League Championship. With all the support of their family and friends we know the Termites can do it.

Clandonald News

By Shirley Oslnchuk

My apologies to James Martin, whose picture was in the report of the 4-H Beef Club Achievement Day. The picture was of James with his father Gerald, and the PeeWee Grand Champion steer in the Clandonald and Vermilion shows.

Welcome to baby Hanna Leanne Elich, who was born on June 11. Hanna's parents are Barb and Steve Elich of Clandonald, and her proud grandparents are Helen and Pete Durksen of Pincher Creek, Alberta, and Barb and John Elich.

Vacation Bible School is planned for July 27 to August 1 at the Bible Fellowship Church.

On Monday, June 9 the PeeWee girls ball team beat Vermilion, in Vermilion, then were beaten by Elk Point on Wednesday. The Super League in which they play held a Wind-up on June 17 at the Dewberry ball diamonds. The Elk Point and Dewberry teams played, with Dewberry winning, and Clandonald and Kitscoty played, with Clandonald winning. The winner of the league play was Elk Point, and the second place winners were Clandonald. After the exhibition games and trophy presentations to Elk Point and Clandonald, and medal presentations to Dewberry and Kitscoty, everyone enjoyed a wiener roast. Unfortunately the Vermilion and Marwayne teams could not come.

The Vermilion Soccer Association Mini-Festival in Vermilion saw the

Clandonald teams playing four games on June 13 and 14. The Bees lost their games, and the Aces lost one and tied three. They did very well for the first year of play. The wind-up for the spring soccer league was held on Wednesday, June 17 in Vermilion.

The Squirt girls team played in the Marwayne tournament on Saturday, June 13. They had a good time and got some valuable playing experience.

The Junior High students took part in the County Track Meet in Vermilion on Tuesday, June 9. Results are not available yet. There were also some new school records set at the school track meet on June 19. Details later.

The annual Rusylvia Picnic was held on June 20 and 21. Saturday threw some showers their way so that the games were delayed but the sixteen Slowpitch and eleven Fastball teams had a good week-end of ball. The final games on Sunday afternoon saw the Vermilion Red Eyes win over the Vermilion Dust Busters for the "A" Slowpitch championship. Eddie and the Cruisers played the Young Farmers for the "B" event, Eddie and the Cruisers won.

The final Fastball game was played out to a 6-2 win for Lac Bellevue over the Myrnam Steelers.

The Rusylvia Slowpitch Tournament will be on August 15 and 16, with 32 teams playing. Call Ron at 741-2167 or Victor at 853-2676 to register your team.

Fair plans

By Irene Magnusson

Fourteen members of the Fair Board met on June 15th at the home of Irene Magnusson, to discuss semi-final plans for the summer fair in Elk Point. Prize list booklets have been available at the Lakeland Review Office for some time now, and there are still plenty on hand.

The fair, August 14-15, will be in the Elk' hall once again. All exhibits are to be placed from 1:00 to 4:30 p.m. on August 14, judging will take place on that same evening, with public viewing from 2:00 to 8:00 p.m. on August 15th, prizes to be presented at 7:00 p.m. of that day.

Some changes in convenors has taken place over the year, with new members taking over some sections, and new helpers volunteering their time. At the meeting each section offered suggestions for displays, changes, or other special needs of their sections. Some members will be away, and replacements are required in their stead.

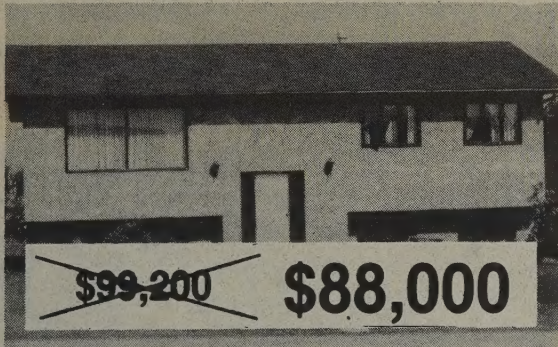

All special sponsors have been contacted, with all awards assured, in the various categories. Ribbons have been ordered, as well as tags for each item displayed. Ask for these at the Review office (soon).

The Board has done its part. Have you? Do plan to enter as many items in as many categories as possible - make it a really big show! As you have done before. A final meeting will be held July 30th, 7:00 p.m., at Modin's home. See you at the Fair!

LIONESS PRESENTATION — Sylvia Kleeberger of the Elk Point Lioness Club presents Agnes Moroziuk with an Accu Check II, an instrument used to read blood glucose levels, for use in the laboratory of Elk Point Municipal Hospital.
